## We have special programs for you

AmeriHealth Caritas Pennsylvania has special programs to help you stay healthy. These programs are provided to you at no cost. You do not need a referral from your doctor to join. If you have one of the health care conditions listed here, you may be able to participate in one of our special programs.

- Asthma
- Chronic obstructive pulmonary disease (COPD)
- Multiple chronic conditions — Complex Care Management
- Diabetes
- Heart disease
- Hemophilia
- HIV/AIDS
- Sickle cell anemia

These programs are interactive, which means we work with you directly. Call AmeriHealth Caritas Pennsylvania's Enhanced Member Support Unit at **1-800-684-5503 (TTY 711)** or go to **[www.amerihealthcaritaspa.com](http://www.amerihealthcaritaspa.com)** to learn more about:

- Who is eligible to participate
- How to use program services
- How to join or leave the program

When you call, let us know if you have multiple health issues. You may need complex care management. A health care provider, a discharge planner, or a care manager can also call AmeriHealth Caritas Pennsylvania about care management for you.

To join one of these programs, you, your caregiver, or your primary care provider (PCP) can call us at **1-800-684-5503 (TTY 711)**.

# What to do if you ...

## ... Need health care services

Call your PCP for an appointment. Your PCP is the first person to call with any questions about your health. If you have a special healthcare need, your PCP may send you to a specialist. A specialist is a doctor trained to treat certain health problems.

You have the right to ask for a second opinion if you are not sure about any medical treatment, service, or non-emergency surgery that is suggested for you. A second opinion may give you more information that can help you make important decisions about your treatment. A second opinion is available to you at no cost other than a copay. Call your PCP to ask for the name of another AmeriHealth Caritas Pennsylvania network provider to get a second opinion. If there are not any other providers in AmeriHealth Caritas Pennsylvania's network, you may ask AmeriHealth Caritas Pennsylvania for approval to get a second opinion from an out-of-network provider. Call Member Services at **1-888-991-7200 (TTY 1-888-987-5704)** for more information about getting a second opinion.

## ... Need special services

Sometimes members have special healthcare needs. AmeriHealth Caritas Pennsylvania can help with dental or eye care; get you in touch with community organizations and behavioral health insurance companies that can help you; and help you find social service agencies that can work with you. If you need this kind of help, please call the Enhanced Member Support Unit at **1-800-684-5503 (TTY 711)**.

## ... Need care after hours or when your doctor's office is closed

If you need care when your doctor is not available and it is not an emergency, call the Nurse Call Line at **1-866-566-1513 (TTY 711)**, visit an urgent care center, or leave a message for your doctor to call you back. If it is an emergency, call **911** or go to the nearest emergency room.

## ...Need help finding a doctor

Check our online provider directory at **www.amerihhealthcaritaspa.com** or call Member Services at **1-888-991-7200 (TTY 1-888-987-5704)** to

find a doctor close to your home. If an AmeriHealth Caritas Pennsylvania doctor in our specialist network cannot provide a medically necessary, covered service, we will approve for you to see a doctor out of the AmeriHealth Caritas Pennsylvania network.

## ... Get a bill from a health care provider

As an AmeriHealth Caritas Pennsylvania member, you don't have to pay for medically necessary covered services.\* If you get a bill from an AmeriHealth Caritas Pennsylvania network provider and you think the provider should not have billed you, you can call Member Services at **1-888-991-7200 (TTY 1-888-987-5704)**.

## ... Want to voice a dissatisfaction

If you have questions or concerns about your AmeriHealth Caritas Pennsylvania benefits or services, please call Member Services at **1-888-991-7200 (TTY 1-888-987-5704)**.

## ... Want to file a complaint or grievance, or request a fair hearing

We can help you with a complaint, grievance, or fair hearing. Call Member Services at **1-888-991-7200 (TTY 1-888-987-5704)** or follow the directions in your Member Handbook.

Need more information and don't have access to the internet or a Member Handbook? Call Member Services at **1-888-991-7200 (TTY 1-888-987-5704)**.

\*There may be times when you will have to pay a copayment.

## Outgrowing your pediatrician? Choose the right PCP.

You may be entering adulthood and be responsible for your own health now. An important step to staying healthy is to pick a PCP that is right for you as you become an adult. Most pediatricians will see you until you reach age 18 and in some cases up to 21. It is important to talk with your pediatrician about choosing a new PCP. Ask your pediatrician to send your medical records to your new PCP. This will help your new PCP know your health history.

Need help finding a new PCP? Call Member Services at **1-888-991-7200** (TTY **1-888-987-5704**).

## Keeping you healthy is our top priority

Soon some members will be getting the 2026 satisfaction survey in the mail. You may also be able to take the survey over the phone. If you get a satisfaction survey, please take a moment to tell AmeriHealth Caritas Pennsylvania how we are doing. The survey takes less than 20 minutes.

## Quality care for our members

At AmeriHealth Caritas Pennsylvania our mission is to help people get care, stay well, and build healthy communities. Our Quality team supports this mission by monitoring the health care and services you and your family get.

Here are some other ways the Quality team helps our members:

- Reaches out to help you get needed care and health education
- Creates programs to serve members with special healthcare needs

- Surveys members and providers and uses the answers to improve our services
- Reviews the quality of care and services given by our providers like medical, dental, vision, and pharmacy

# Support Spotlight

## Information to support healthy relationships

When someone is being hurt at home, it doesn't always show in ways we expect. Sometimes, the signs are in their mouth. Broken teeth, jaw pain, or cuts inside the mouth can be signs that a person has been hurt by someone close to them.

People who are being abused might also miss dental appointments or go a long time without care. This might be because of money, fear, or someone stopping them from getting help.

Here are some signs that might mean someone needs support:

- Mouth or face injuries that happen more than once
- Trouble eating, smiling, or talking, without a clear reason
- A friend or family member who isn't allowed to speak for themselves or seems closely watched

If you notice something that worries you, it's okay to gently check in. You don't need all the answers to

show you care. Listen, believe them, and share info about help if it feels safe for them to talk.

Many Community Health Centers (CHCs) provide dental care. People can find their local CHC using this link: <https://my.pachc.org/Find-a-Health-Center>.

If you or someone you care about is experiencing domestic violence, help is available. Find your local domestic violence program on the Pennsylvania Coalition Against Domestic Violence website. Please visit: <https://www.pcadv.org/find-help/find-your-local-domestic-violence-program> to find a program near you. The services offered by these programs are provided at no cost. These services are confidential.
